Film: "MILAD – My Planet" (Pausilypon Films) presented by:

- **Maria Komninos**, Director of the Greek Film Archive.
- **Menelaos Karamaghiolis**, Director of the film "MILAD – My Planet".
Dedicated to immigration and refugee issues, Menealos Karamaghiolis produces films on the subject and founded a dedicated platform which has been producing films staging antiheroes and revealing stories transcending frontiers and stereotypes, turning the filmmaking process into an operational 'tool' for the protagonists. These films also serve as a tool to claim for solutions. The basic goal of these films is to redefine narration in a cinema which is looking for neglected and genuine heroes in reality, and to awaken and serve as an essential tool for dialogue and social intervention.
